These changes must be agreed in writing, by both parties, within 3 days of Buyer's knowledge of such changes and no later than _____ business days before the Closing (15 days if left blank).

Buyer and Seller hereby acknowledge that any changes to the terms specified below that are made after the Effective Date of the Contract have the potential to delay the Closing and/or change the costs of Closing due to federal regulations.

a. TYPE OF FINANCING. Loan(s) will be _____owner-occupied Loan(s) or _____ investment Loan(s)

If Buyer floats the rate, Buyer agrees to accept the rate and terms available from Buyer’s Lender(s) for which Buyer qualifies at Closing.

d. LOAN APPLICATION(S).

_____BUYER IS PRE-APPROVED (See attached Lender(s) letter(s)) Buyer has submitted information to _____ (“Lender(s)”) who has checked Buyer’s credit and indicated that Buyer can qualify for a loan(s) in an amount equal to or greater than the Loan(s) contemplated in this Contract, subject to receipt by the Lender(s) of a satisfactory appraisal of the Property and any other conditions set forth in the attached Lender(s) letter(s). The pre-approval must indicate that Buyer’s credit is acceptable to Lender(s) and indicated whether or not the pre-approval is subject to the sale and Closing of Buyer’s current property.

_____ BUYER IS NOT PRE-APPROVED. Within _____ calendar days (5 days if left blank) after the Effective Date of this Contract, Buyer will complete a written application to obtain a Loan. Buyer shall authorize Lender(s) to perform services (credit report, appraisal, etc.), promptly pay the fees required by Lender(s), and promptly provide Lender(s) with all information requested. Seller is aware that pre-approval is not a guarantee that Buyer will receive Lender(s) Loan approval(s).

- e. LOAN APPROVAL(S). Buyer shall make a good faith effort to obtain a commitment for the Loan(s) within _____ calendar days (45 days if left blank) after the Effective Date of this Contract or within _____ (5 days if left blank) prior to the Closing Date, whichever is earlier (the “Loan Approval Period”).
- f. FAILURE TO OBTAIN FINANCING. If Buyer is unable to obtain a commitment for the Loan(s) within the Loan Approval Period, either Buyer or Seller may cancel this Contract upon written notice to the other party. If Buyer is unable to obtain the Loan(s), Buyer must provide written evidence of rejection from Lender(s) within 5 days of Buyer’s receipt of such written evidence. In either case, Buyer’s Earnest Money shall be subject to the provisions of the Earnest Money and Additional Deposits paragraph of this Contract.

8. INSPECTIONS: Buyer may, at Buyer’s expense, have the property inspected, which inspection may include, without limitation, inspections of the appliances, plumbing (including septic system), electrical, heating system, central air conditioning, fireplace, chimney, foundation, roof, siding, windows or door, ceiling, floors, insulation, drainage, interior and exterior components, any walls, decks, driveways, patios, sidewalks, fences, slabs, health and/or environmental concerns (including lead-based paint) and wood-destroying insect or other pest infestation and/or damage, as provided below:

PROPERTY INSURABILITY. It is recommended that homeowner’s insurance availability be ascertained during the Inspection Period.

FACTORS AFFECTING INSPECTIONS. Buyer acknowledges any inspections performed may not identify deficiencies in inaccessible areas of the Property and may be limited by weather conditions at the time of the Inspection. It is recommended that Buyer check with Lender(s) and/or local government authority regarding septic inspection.

QUALITY OF REPAIRS. Seller shall complete any corrective measures to performed by Seller pursuant to the following provisions in a workmanlike manner with good-quality materials.

- a. WHEN DO BUYER’S INSPECTIONS NEED TO BE COMPLETED? Buyer must complete ALL inspections within _____ days (10 days if left blank) (the “Inspection Period”) after the Effective Date of this Contract.

- b. WHAT IF BUYER DOES NOT CONDUCT INSPECTIONS? If Buyer does not conduct any inspections Buyer shall have waived any right to cancel or renegotiate this Contract pursuant to these inspection provisions.
- c. WHAT IF BUYER DOES NOT GIVE TIMELY NOTICE OF UNACCEPTABLE CONDITIONS? If Buyer conducts inspections but fails to notify Seller of the existence of any Unacceptable Conditions prior to the expiration of the Inspection Period, Buyer shall have waived any right to cancel or renegotiate this Contract pursuant to these inspection provisions with respect to any such unidentified Unacceptable Conditions.
- d. WHAT IS AN UNACCEPTABLE CONDITION? An “Unacceptable Condition” is any condition identified in an inspection conducted by an independent qualified inspector of Buyer’s choice that is unacceptable to Buyer and that is not otherwise excluded by the provisions of this Contract.
- e. WHAT IS NOT AN UNACCEPTABLE CONDITION? The following items shall not be considered Unacceptable Conditions and cannot be used by Buyer as a reason to cancel or renegotiate this Contract: _____
_____.
- f. WHAT IF BUYER’S INSPECTIONS REVEAL UNACCEPTABLE CONDITIONS? If Buyer’s inspections reveal one or more Unacceptable Conditions Buyer may take any one of the following described actions WITHIN THE INSPECTION PERIOD:
 - i. ACCEPT THE PROPERTY “AS IS,” in which case Buyer will have waived any right to cancel or renegotiate this Contract due to the Unacceptable Conditions.
 - ii. CANCEL THIS CONTRACT by notifying Seller in writing of Buyer’s election to cancel.
 - iii. OFFER TO RENEGOTIATE the price and/or other terms of this Contract with Seller by notifying Seller in writing within the Inspection Period, which writing shall identify the Unacceptable Conditions. Seller is not obligated to renegotiate.

BUYER’S NOTICE OF CANCELLATION OR OFFER TO RENEGOTIATE MUST BE ACCOMPANIED BY THE WRITTEN REPORT(S) OF THE INDEPENDENT QUALIFIED INSPECTOR(S) WHO CONDUCT THE INSPECTION(S).

- g. WHAT IF RENEGOTIATIONS ARE NOT SUCCESSFUL? If, within _____ days (5 days if left blank) after Seller’s receipt of Buyer’s offer to renegotiate, Buyer and

Seller have not executed a written agreement satisfactorily resolving the Unacceptable Conditions, OR Buyer has not elected to accept the Property “as is” by written notice to Seller, then either party may cancel this Contract by written notice to the other.

- h. WOOD-DESTROYING INSECTS. Seller shall pay to have the Property treated for control of infestation by wood-destroying insects if a written inspection report of a reputable licensed pest control firm reveals evidence of active infestation, or evidence of past untreated infestation of the Property. If treatment is required, Seller shall provide Buyer with a certificate evidencing treatment performed by a reputable licensed pest control firm of Seller’s choice, which certificate Buyer agrees to accept. Treatment shall be completed no earlier than ninety (90) calendar days prior to the Closing Date. If the Closing occurs more than ninety (90) days after the effective date of the pest inspection and Buyer’s lender requires a more current inspection and/or certification, Buyer shall pay for such updated inspection and/or certification.
- i. ACCESS TO PROPERTY; RE-INSPECTIONS, DAMAGES AND REPAIRS. Seller shall provide Buyer with reasonable access to the Property to conduct any inspections, re-inspections, inspection of any corrective measures completed by Seller and/or final walk-through prior to the Closing. Buyer shall be responsible and pay for any damage to the Property resulting from such inspection(s).

9. UTILITIES/MAINTENANCE/CASUALTY LOSS: SELLER SHALL LEAVE ALL UTILITIES ON UNTIL THE DATE OF POSSESSION UNLESS OTHERWISE AGREED. Seller shall perform ordinary and necessary maintenance, upkeep and repair to the Property and to keep the improvements on the Property fully insured until the Closing. If, before the Closing, any improvements on the Property are damaged or destroyed by fire or other causes, including those that could be covered by fire and extended coverage insurance, the parties agree that the risk of that danger or destruction shall be borne as follows:

- a. If the damage is minor, Seller may repair or replace the Property if the work can be completed before the Closing Date.
- b. If Seller elects not to repair or replace the Property, or if the damage is substantial, Seller shall notify Buyer in writing, in which event Buyer may cancel this Contract by delivering written notice to Seller within 10 days after receiving notice of the damage or destruction of the Property.
- c. If Buyer elects not to cancel this Contract, the Purchase Price shall not be reduced, and the Property shall be conveyed in its existing condition as of the Closing Date; provided; however, Seller shall credit Buyer with the insurance deductible and assign Seller’s fire and extended coverage proceeds to Buyer at the Closing.

10. RADON, MICROBIALS AND OTHER ENVIRONMENTAL POLLUTANTS:

- a. RADON. Buyer is hereby notified that the Property may present exposure to dangerous concentrations of indoor radon gas that may place occupants of the Property at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause of lung cancer overall. For additional information, please go to <http://www.kansasradonprogram.org> or <http://www.epa.gov/radon>.
- b. MICROBIALS AND OTHER ENVIRONMENTAL POLLUTANTS. Buyer hereby acknowledges that mold, fungi, bacteria and other microbes commonly exist in homes and will exist in the Property as a result of rain, humidity, other moisture located in the Property and on materials during the normal construction process, and as a result of the use of wood and other materials that commonly contain mold, fungi, bacteria and other microbes at the time of delivery to the job site. Buyer has the opportunity to become informed about microbes and other environmental pollutants, and the potential health risks of microbes and other environmental pollutants.
- c. Neither Seller nor Buyer claims or possesses any special expertise in the measurement or reduction of radon, microbes or other environmental pollutants, nor has Seller provided any advice to Buyer as to acceptable levels or possible health hazards of radon, microbes or other environmental pollutants. Seller makes no assurances that any existing systems, devices or methods incorporated into the Property, if any, for the purpose of reducing radon, microbes or other environmental pollutant levels will be effective and Seller has no responsibility for the operation, maintenance or effectiveness of such systems, devices and methods.

11. EARNEST MONIES AND ADDITIONAL DEPOSITS: Unless otherwise agreed, any Earnest Money, additional deposits referenced in Section 2(a) or additional funds deposited by any of Seller, Buyer or Lender(s) shall be deposited in an insured escrow account maintained by the Title Company. Buyer and Seller agree that the Title Company may retain any interest earned on any funds deposited in said account. If the Earnest Money is to be forfeited or refunded for any reason, Buyer and Seller agree that the amount to be distributed shall first be reduced by any unpaid charges for credit reports, appraisals, surveys, title investigation fees, and termite, mechanical or other inspections, if any, incurred by the Title Company on behalf of the party receiving the funds.

If this Contract is terminated by the express provisions of this Contract or by either party pursuant to a right expressly given in this Contract, the Earnest Money deposit shall be returned to Buyer, and neither party shall have any further rights or obligations under this Contract, except as otherwise stated in this Contract. Notwithstanding any other terms of this Contract providing for the forfeiture or refund of Earnest Money, the parties understand that the Title Company may not distribute the Earnest Money without the written consent of all parties to this Contract unless permitted to do so by applicable state laws. If Buyer and Seller are unable to agree in writing upon the disposition of the Earnest Money or any other funds, the Title Company may, but shall not be obligated to, commence an interpleader or similar proceeding and Buyer and Seller authorize the Title Company to pay all funds to the Clerk of the Court for

disposition as the Court may direct. Buyer and Seller agree that the Title Company shall be entitled to reimbursement of its costs incurred in connection with any interpleader or similar proceeding including, without limitation, reasonable attorneys' fees and expenses. Such costs shall be borne equally by Buyer and Seller unless they agree or the Court directs otherwise.

Buyer and Seller agree that in the absence of a dispute or written consent to distribution, the failure by either to respond in writing to a certified letter from the Title Company within 15 days of receipt thereof or failure to make written demand for return or forfeiture of the Earnest Money within 60 days of notice of cancellation of this Contract shall constitute consent to distribution of the Earnest Money as suggested in such certified letter.

12. SURVEY: Buyer may, at Buyer's expense, obtain a "staked" survey of the Property before the Closing Date to ensure that there are no defects, encroachments, overlaps, boundary line or acreage disputes, or other such matters that would be disclosed by a survey. Buyer acknowledges that a mortgage inspection report or "loan survey" normally required by a lending institution is not a "staked" survey. A title insurance company typically requires a "staked" survey in order to provide survey coverage to a buyer. Prior to the Closing Date, Buyer shall notify Seller of any defects disclosed by the survey (including, without limitation, encroachments of any improvement upon, from, or onto the Property or any building setback line, property line, or easement), and each such defect shall be deemed to be a title defect. Seller shall remedy such defects as are susceptible of being remedied prior to the Closing Date. If Seller does not so remedy such defects, Buyer shall have the option of (a) proceeding to Closing and accepting the title Seller is able to convey without adjustment in the Purchase Price, or (b) canceling this Contract.

13. EVIDENCE OF TITLE: Within a reasonable time after the Effective Date, but prior to the Closing Date (the "Commitment Delivery Date"), Seller shall, at Seller's sole expense, deliver to Buyer a title insurance commitment pursuant to which the Title Company shall agree to issue to Buyer, at Seller's sole expense, an owner's policy of title insurance in the amount of the Purchase Price, insuring marketable fee simple title to the Property in Buyer upon recording of the Deed; provided, however, title to the Property shall be subject to the conditions in this Contract, to customary covenants, declarations, restrictions, zoning laws, easements, party wall agreements, special assessments, and community contracts or record as of the effective date of the title commitment (the "Permitted Exceptions"), as well as any liens, encumbrances or other matters affecting title to the Property created by Buyer or arising by virtue of Buyer's activities or ownership. Unless there is a defect in title to the Property that is not corrected prior to the Closing Date, Buyer may not object to untimely delivery of the title commitment.

The policy shall also insure Buyer as of the date of recording of the Deed, against any lien, or right to a lien, for services, labor or material imposed by law and not shown by the public records. Seller agrees to comply with the requirements of the Title Company for issuance of this coverage. Any mechanic's lien or notice of intent filed during construction and prior to closing will not be deemed a defect in title unless the title insurance company will not insure against loss therefrom. The following notice is provided for property located in Missouri only:

If the Property has not been occupied by Seller and has had recent construction work performed, the Seller may be required to post and record a “notice of intended sale,” as stated in Chapter 429 Missouri Revised Statutes, in order for Buyer to obtain Mechanic’s Lien Coverage. All parties are advised to consult with the title company regarding these requirements.

Buyer shall have a reasonable time after receipt of the title commitment (the “Objection Period”) to notify Seller in writing of any valid objections to title to the Property (the “Defects”). Seller shall then make a good faith effort to remedy the Defects. If Seller does not remedy the Defects before the Closing Date, Buyer may elect to (a) waive the Defects, (b) extend the Closing Date a reasonable time to allow Seller to remedy the Defects or (c) cancel this Contract, in which event the Earnest Money will be returned to Buyer. Notwithstanding anything herein to the contrary, if the time between the Effective Date and the Closing Date is too short to permit compliance with the time frames described in this paragraph, both the Commitment Delivery Date and the Objection Period shall mean as soon as reasonably possible but not later than the Closing Date.

14. TAXES AND PRORATIONS: All general, state, county, school and municipal real estate taxes, homes association dues and fees, special assessments, interest on existing loans to be assumed by Buyer, and any other contractual obligations of Seller to be assumed by Buyer for years prior to the calendar year in which the Closing occurs shall be paid by Seller.

- a. Any of the preceding items which become due and accrue during the calendar year in which the Closing occurs (including rents, if applicable) shall be prorated between the parties as of the Closing Date and, for all years thereafter, to the extent permitted by applicable law, shall be assumed and paid by Buyer. Buyer acknowledges that the Property may be subject to a special assessment, fee or located in an improvement district. Buyer acknowledges this disclosure is required by Kansas law, and may be found in the Seller’s Disclosure and Condition of Property Addendum or a separate document, if applicable.
- b. If the actual amount of any item, other than taxes for the current year, cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year’s amount. If the actual amount of taxes for the current calendar year cannot be determined, it will be estimated by using the current year’s appraised value, if available from the county taxing authority, and last year’s mill levy. If appraised value is not available, the Contract Purchase Price will be used with last year’s mill levy. Buyer and Seller agree to accept such prorations as final and release each other, Broker(s), Agent(s) and Closing Agent(s) from any liability for any increase or decrease in actual taxes due.
- c. In Missouri, reassessment takes place in odd-numbered years. Missouri transactions closing in odd-numbered years are subject to the process in Section

14 b. Missouri transactions closing in even-numbered years will be prorated based upon the preceding year's tax amount.

15. DELIVERY OF DEED/DISTRIBUTION OF PROCEEDS: On or before the Closing Date, Seller shall execute and deliver to the Title Company, a general warranty deed (or a special warranty deed or fiduciary deed if Seller is a corporation, financial institution or fiduciary) (the "Deed") and all other documents and funds reasonably necessary to complete the Closing. On or before the Closing Date, Seller and Buyer shall each deliver to the Title Company a CASHIER'S CHECK, WIRE OR OTHER CERTIFIED FUNDS sufficient to satisfy its respective obligations under this Contract. Seller acknowledges that disbursement of proceeds may not be made until after the Deed and, if applicable, mortgage or deed of trust have been recorded.

16. PARTIES: This is a Contract between Seller and Buyer. If either Seller or Buyer constitutes two or more persons, the term "Seller" or "Buyer" shall be construed to read "Sellers" or "Buyers" whenever the sense of the Contract requires. Unless identified as Seller or Buyer, the Title Company and any other closing agent or title company and their employees involved in this transaction are acting as agents only and are not parties to this Contract.

17. NOTICES: Any notice or other communication required or permitted hereunder may be delivered in person or by facsimile or electronic mail to the address set forth in this Contract or such other address or number as shall be furnished in writing by any party. Such notice or communication shall be deemed to have been given as of the date so delivered in person, or received by facsimile or electronic mail. All parties agree this transaction may be conducted by electronic means, including email, according to the Uniform Electronic Transaction Act as adopted in Kansas and Missouri.

18. AGENCY: Buyer and Seller represent to each other that they have not been represented in this transaction by an agent or other real estate licensee to whom a real estate commission might be owed. Any party to this Contract through whom a claim to any broker's, finder's or other fee is made, contrary to the representations made above in this paragraph, shall indemnify, defend and hold harmless the other party to this Contract from any loss, liability, damage, attorney's fees, court costs and other legal expenses paid or incurred by the other party, that is in any way related to such a claim. The provisions of this paragraph shall survive Closing or termination of this Contract.

19. DEFAULTS AND REMEDIES: Seller or Buyer shall be in default under this Contract if either fails to comply with any material covenant, agreement or obligation within any time limits required by this Contract. Following a default by either Seller or Buyer under this Contract, the other party shall have the following remedies:

- a. If Seller defaults, Buyer may either (1) specifically enforce this Contract and recover damages suffered by Buyer as a result of the delay in the acquisition of the Property; or (2) terminate this Contract by written notice to Seller and, at

Buyer's option, pursue any remedy and damages available at law or in equity. If Buyer elects to terminate this Contract, the Earnest Money shall be returned to Buyer.

- b. If Buyer defaults, Seller may either (1) specifically enforce this Contract and recover damages suffered by Seller as a result of the delay in the sale of the Property; or (2) terminate this Contract by written notice to Buyer and, at Seller's option, either retain the Earnest Money as liquidated damages as Seller's sole remedy (the parties recognize that it would be extremely difficult to ascertain the extent of actual damages caused by Buyer's breach, and that the Earnest Money represents as fair an approximation of such actual damages as the parties can now determine), or pursue any other remedy and damages available at law or in equity.
- c. If, as a result of a default under this Contract, either party employs an attorney to enforce its rights, the defaulting party shall, unless prohibited by law, reimburse the non-defaulting party for all reasonable attorneys' fees, court costs and other legal expenses incurred by the non-defaulting party in connection with the default.

20. TIME IS OF THE ESSENCE WITH RESPECT TO THIS CONTRACT AND EVERY PROVISION THEREOF.

22. ADDITIONAL TERMS AND CONDITIONS: _____

23. EXPIRATION: This offer shall expire on _____, 20__ at _____ o'clock __m. (5:00 p.m. if left blank) unless accepted by Seller or withdrawn by Buyer before that time.
